

# KOFUN AWARD Implementation Guidelines

World Cultural Heritage Site  
Mozu-Furuichi Kofun Group  
Registration commemoration Award  
-- Mounded Tombs of Ancient Japan --

## 1. Issuer

Organizer : Habikino Musen Club

Support : Habikino city

Osaka prefectural branch of JARL

## 2. Purpose

Activation of amateur radio and recognizing mounded tombs that exist in various parts of Japan in commemoration of the World Cultural Heritage registration of the Mozu-Furuichi Kofun Group in 2019.

## 3. Eligibility

Amateur radio stations around the world,

Band / mode (range of radio wave format, frequency and antenna power licensed by your station).

## 4. Period

QSO for one year (QSO log date July 6, 2019 - July 5, 2020 Must be either JST or UTC), from the date of World Cultural Heritage registration of Mozu-Furuichi Kofun Group.

Applications arrived at the secretariat by September 30, 2020.

## 5. General Rules

Recorded Kofun points by normal QSO with radio stations in the location of the Japanese Mounded Tomb and Mounded Tombs Group(JCC, JCG) listed in the attached sheet, and the award will be issued if the number of Kofun points exceeds the specified points.

There are no restrictions on fixed or portable stations.

For the same station, every QTH (city / state) counts only once even if the QSO Date / Time and BAND / MODE are different.

Note) QSO with the special station (**8N3KOFUN** November 1, 2019~

March 31, 2020) will be counted once regardless of QTH.

The Kofun point adds 30 points to the Kofun point at the JARL special station operating QTH.

It is basically unnecessary to obtain a QSL card, but the award manager may check the log.

In the case of new digital communications (FT8, etc.), those for which JCC and JCG have been confirmed (by searching communications messages or HAMLOG) are counted.

QSO via the Internet (via repeaters) is not counted.

Kofun Points are for those designated as historic sites by the government, relevant ministries and local governments, as of July 6, 2019, the World Cultural Heritage registration date.
